Notice of Virtual Public Open House:

Green Lane Park – Community Meeting

Dear Resident:

Ward 1 Councillor Keith Irish and the City of Markham Parks and Open Space Development Team invite you to join the Green Lane Park virtual Public Open House on Monday, June 14, 2021 from 6:00 p.m. – 8:00 p.m. on Zoom. At this meeting staff from the City of Markham's Parks and Open Space Development Department will highlight the conceptual plan, proposed amenities and associated landscape works planned for the park.

Interested residents are encouraged to visit www.yourvoicemarkham.ca/parks to register to attend the virtual Public Open House. A link to the Zoom meeting will be emailed to you once you have registered.

Following the virtual Public Open House, all conceptual panel boards presented will be uploaded to www.yourvoicemarkham.ca/parks. Residents are encouraged to download the comment sheet, provide their information and submit all comments to the Parks and Open Space Development Coordinator by June 28, 2021.

Detailed design development is anticipated to be completed in the summer of 2021. Construction of the park is set to begin in Fall of 2021 and pending the influence of inclement weather or any other logistical impacts, the park should be open for the community to enjoy by Spring 2022.

For further information or if you have any questions, please contact Chris Ulcar, Parks Development Coordinator at culcar@markham.ca. In the meantime we look forward to seeing you June 14, 2021.

Thank you,

Chris Ulcar
