**Notice of Virtual Public Open House:**

**Yonge and Grandview Park – Community Meeting**

Dear Resident:

Ward 1 Councillor Keith Irish and the City of Markham Planning and Urban Design Team invite you to join the Yonge and Grandview Park virtual Public Open House on Monday, June 21, 2021 from 6:00p.m. – 8:00 p.m. on Zoom. At this meeting staff from the City of Markham's Parks and Open Space Development Department will highlight the conceptual plan, proposed amenities and associated landscape works planned for the park.

Interested residents are encouraged to visit [www.yourvoicemarkham.ca/parks](http://www.yourvoicemarkham.ca/parks) to register to attend the virtual Public Open House. A link to the Zoom meeting will be emailed to you once you have registered.

Following the virtual Public Open House, all conceptual panel boards presented will be uploaded to [www.yourvoicemarkham.ca/parks](http://www.yourvoicemarkham.ca/parks). Residents are encouraged to participate in a short survey and submit their comments to the Parks and Open Space Development Coordinator by July 5, 2021.

Detailed design development is anticipated to be completed in the Summer of 2021. Construction of the park is set to begin in Fall 2021 and pending the influence of inclement weather or any other logistical impacts, the park should be open for the community to enjoy by Summer 2022.

For further information or if you have any questions, please contact Oksana Negorutsa, Parks Development Coordinator at [onegorutsa@markham.ca](mailto:onegorutsa@markham.ca) and in the meantime, we look forward to seeing you June 21.

Thank you,

Oksana Negorutsa  
Parks and Open Space Development Coordinator  
Planning and Urban Design Department  
City of Markham  
101 Town Centre Blvd.
