## **PRE-CONSTRUCTION NOTICE**

### **GERMAN MILLS - BLOWER MOTOR SILENCER INSTALLATION AND ACOUSTIC BARRIER MODIFICATION**

Dear Resident,

Please be advised that the City of Markham is proceeding with installation of a new silencer and modification of the existing acoustic barrier of the blower house within the German Mills Meadow and Natural Habitat (German Mills Meadow).

Construction is expected to commence around end of August or early September 2023. The anticipated completion date for the work is end of September 2023. The Construction schedule may subject to slight change depending on silencer procurement schedule and the site conditions.

The Contractor for this project is Parklane. While there may be some minor inconveniences during the ongoing work, both the Contractor and City Staff will work together to keep this disruption to a minimum. The work is limited to blower house area and all areas disturbed during construction will be restored to its original condition.

Please feel free to contact the City of Markham Contact Center at (905) 477-5530 or the undersigned if you have any questions or concerns regarding this project.

Best Regards,

**Negar Mahmoudi, M.Eng, P.Eng**
