

Borehole Repair: 12 - 14 Banquo Road

Schedule: Friday, September 13, 2024

Timing: 8:00 am and 6:00 pm

Figure 1: The approximate work zones for geotechnical investigation work. Map is not scale and for illustrative purposes only.

What is happening?

Borehole cap asphalt cap repair at 12 - 14 Banquo Road. The borehole will be redrilled to 10 feet, backfilled with cement grout, and sealed with an asphalt layer. This method ensures the borehole is secure and the road surface above the borehole is fully restored.

About the Yonge North Subway Extension:

The Yonge North Subway Extension will transform the commute in York Region, Toronto and beyond by extending the TTC's Line 1 subway service north from Finch Station to Vaughan, Markham and Richmond Hill. This extension includes five confirmed subway stations along an extension of roughly eight kilometres.

Information as of: August 29, 2024

WORK DETAILS:

- Field technicians will repair an existing borehole in front of the homes at 12 - 14 Banquo Road. The borehole will be redrilled and backfilled with cement grout, followed by an asphalt layer to restore the road surface.

WHAT TO EXPECT:

- The vehicles used will be a drill rig, support truck, traffic control vehicle and field supervisor's car.
- Work areas will be clearly marked and fenced off as required to ensure public safety.
- Residents near the site can expect to hear increased noise levels during this work. Noise and vibration levels will be monitored and mitigated when necessary. The noise generated will come from the auger drilling.
- Work will mobilize with a conventional truck mounted drill rig and auger through the drilled borehole to 10 feet and then backfilled with cement.

HOURS OF WORK:

- Work is scheduled to take place and completed Friday, September 13, 2024, and will be done in half a day.

Please note that work may be rescheduled due to weather conditions or unforeseen circumstances.

TRAFFIC DETAILS:

- One lane of traffic will be closed on Banquo Road during the work period.
- One lane will be opened to traffic in both ways on Banquo Road, with a traffic control subcontractor to manage the traffic.

IMPACT MITIGATION:

- Metrolinx Community Engagement team members will also be onsite intermittently during the work to help address any community concerns.
