

Utility work near Yonge Street and Glen Cameron Road

Scheduled start: April 7, 2025 - May 23, 2025

Timing: Weekdays, 9:30 a.m. - 3:30 p.m.

What is happening?

To support future construction of the Yonge North Subway Extension, crews working on behalf of Metrolinx and Alectra Utilities will be installing underground ducts and upgrading overhead electrical lines. Most of the work will happen along Yonge Street at Glen Cameron Road, extending slightly north toward Morgan Avenue. This work will help ensure future major construction activities like tunnelling can move forward smoothly.

About the Yonge North Subway Extension

The Yonge North Subway Extension will transform the commute in York Region, Toronto and beyond by extending the TTC's Line 1 service north from Finch Station to Vaughan, Markham and Richmond Hill. The project includes five new stations along an extension of roughly eight kilometres.

This map shows the approximate location of work zones. It is not to scale and for illustrative purposes only.

WHAT TO EXPECT:

- There is expected to be no interruption to your electricity service.
- Residents may experience an increase in noise caused by equipment and machinery.
- Signs will be in place to guide pedestrian and vehicle traffic.

WORK DETAILS:

- Crews will be digging along roads, sidewalks, and boulevard areas (see map) to install new underground and overhead hydro infrastructure, including poles.
- Work areas will be restored to their previous condition upon completion.
- **Please note that work may be rescheduled or extended due to weather conditions or unforeseen circumstances.**

FOR PEDESTRIANS:

- Sidewalk access on the southwest corner of Yonge Street and Glen Cameron Road will be temporarily affected. Please follow posted signs to navigate safely around work zones.
- Traffic control personnel will be present as needed to safely guide pedestrians and vehicle traffic around work as needed.

TRAFFIC DETAILS:

- Access to residences and businesses will always be maintained, and signage will redirect pedestrians and traffic.
- To safely complete this work, temporary lane closures will be required on Yonge Street on both the north and south quadrants of Glen Cameron Road.

TEMPORARY BUS STOP RELOCATIONS:

- Northbound Yonge Street at Glen Cameron Road
 - Stop will be relocated **north of the intersection** (April 7 - May 9)
- Southbound Yonge Street at Glen Cameron Road
 - Stop will be relocated **south of the intersection** (May 12 - May 23)
- Signs will be posted at affected stops with directions to the new temporary stop locations.
- For York Region Transit service impacts see YRT.ca for more information.
