

## Overnight Partial Right-lane Closure on Yonge Street South of John Street March 10, 2025 - March 14, 2025

Dear Residents/Business Owners,

We are writing to inform you about the overnight partial right-lane closure on Yonge Street south of John Street from March 10, 2025 to March 14, 2025. This work is meant to support our on-going scheduled utility work on behalf of the Yonge North Subway Extension until May 1, 2025 (see attached notice).

### Partial Lane Closure Details

**Date: March 10, 2025 - March 14, 2025**

**Tine: Monday to Friday 6pm to 7am**

**Reason for Closure: To facilitate on-going utility work on Yonge Street**

### What to Expect

- **Noise and Vibration:**
  - Residents will experience minimal noise during the work hours. We are taking measures to reduce disruption as much as possible, and noise and vibration levels will be monitored through construction.
- **Traffic Impacts:**
  - Partial right-lane closure on Yonge Street south of John Street.
  - Right-turn access on to John Street will be maintained.

We apologize for any inconvenience caused by this closure and appreciate your understanding. Safety remains our top priority, and this work is essential to support the Yonge North Subway Extension. If you have any questions or concerns, please contact our Community Engagement Team for the Yonge North Subway Extension via email: [YongeSubwayExt@metrolinx.com](mailto:YongeSubwayExt@metrolinx.com)
